## IDENTIFICATION OF STUDENTS

6.9  
(LOCAL)

District employees, including educators and other District staff, shall not require the use of pronouns that are inconsistent with a student's or other person's biological sex as it appears on the individual's birth certificate or other government-issued record.

In accordance with law, a person's biological sex is identified on the person's official birth certificate provided the statement was:

1. Entered at or near the time of the person's birth; or
2. Modified only to the extent necessary to correct any type of scrivener or clerical error in the person's biological sex.

Notwithstanding the provisions above, the District shall not compel District personnel or other students to address or refer to students in any manner that would violate the speaker's constitutionally protected rights.
